

FAIRFIELD MEMORIAL HOSPITAL FOUNDATION

GUARDIAN HERO

GUARDIAN HERO

Many grateful patients take the time to send a note of thanks regarding the care they received during their time at Fairfield Memorial Hospital. Some patients have expressed that they would like to do more to fully recognize a Hospital Associate(s) for the outstanding and special care they received. The Guardian Hero Program enables them the opportunity to highlight their appreciation for a Hospital Associate(s) and/or Physicians and support the Fairfield Memorial Foundation through their donation.

For a minimum \$25 donation, patients, their family members or friends can pay tribute to an associate, physician or volunteer that had an exceptional impact on them during their Hospital or physician visit by naming the individual(s) a Guardian Hero. Each Guardian Hero will be recognized by their department head, Hospital CEO and Foundation Director with a Guardian Hero pin and the note of gratitude from the grateful individual shared amongst their peers. Contributions to the Fairfield Memorial Hospital Foundation, a non-profit 501 (c) (3) charitable organization, *are tax deductible as allowed by law.*

Donor Name _____

Address _____

City _____ State _____ Zip Code _____
